Sea views without interruption in this prime location. This magnificent apartment features a drive-up entrance, a large, airy living space with an abundance of natural light that flows onto a planted garden, and a balcony with breathtaking views of the city and ocean.

The completely equipped kitchen has granite countertops, a laundry room, and a gas stove and griller. There is a second bedroom with an ensuite bathroom, a third bedroom that may be used as a study or office and has a plumbing space to add a bathroom, and a guest bathroom at the entrance hall.

The main bedroom has an ensuite, a large dressing room, BICs, and access to a beautiful balcony. There is guest parking as well as a double garage. The rear of the garage has a storage space.

The domestic workers have access to shared restrooms. A communal recreation space and swimming pool. With round-the-clock security and wheelchair accessibility, the unit is safe and secure. For an exclusive viewing, please contact us.
