Here is a magnificent three-bedroom apartment in the height of luxury located in the Pearls of Umhlanga. There are three enormous bedrooms in this work of art, each with an en suite bathroom.

It has a state-of-the-art kitchen that is fully equipped and spacious enough to unleash your inner culinary pro. The open living area that leads from the lounge and dining area to the spacious balcony—which has enough room for an entertainment area and an amazing view of the Umhlanga beach and our tranquil Dolphin Coast—is ideal.

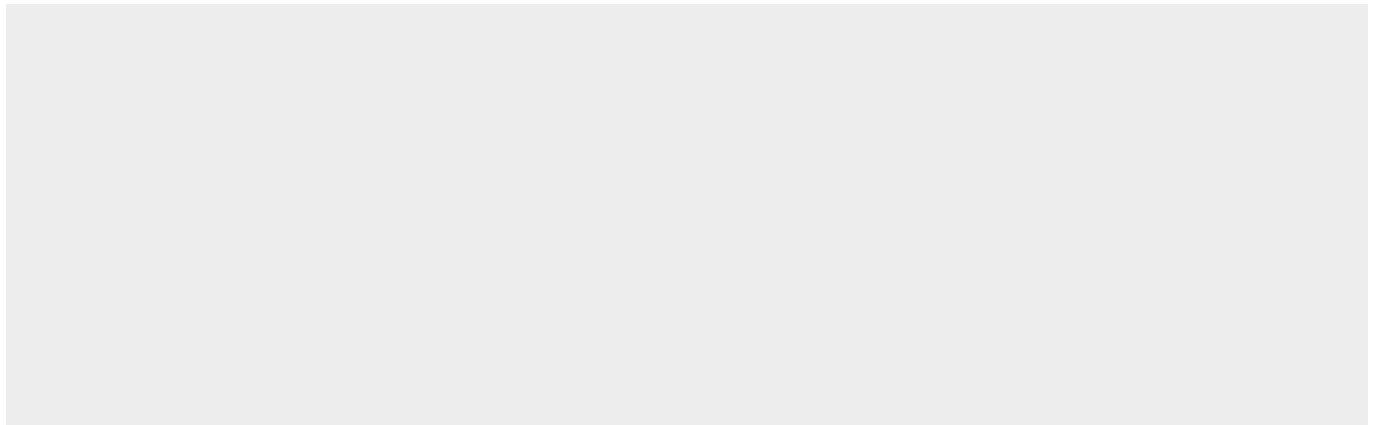

The master bedroom features a separate space for a sofa that opens to a private balcony. It also features an en suite bathroom with a huge shower and a jacuzzi-style bathtub that boasts opulent furnishings.

One of the other ensuite bathrooms has a bathtub in addition to a shower. This apartment has biometric access and 24-hour security. Located in Umhlanga Rocks, this residential resort offers top-notch beaches, exquisite eating options, easy access to the Gateway Theater retail center, and a host of other incredible attractions.

In addition to offering magnificent living quarters, this apartment is a great investment prospect. To schedule a viewing of this excellent apartment, call now!
