Presenting you with this stunning double-story Windermere home for sale. There are two floors: an enormous living and dining area, three bathrooms, five bedrooms with built-in cabinets, and a large, fully equipped kitchen with granite countertops are all located upstairs.

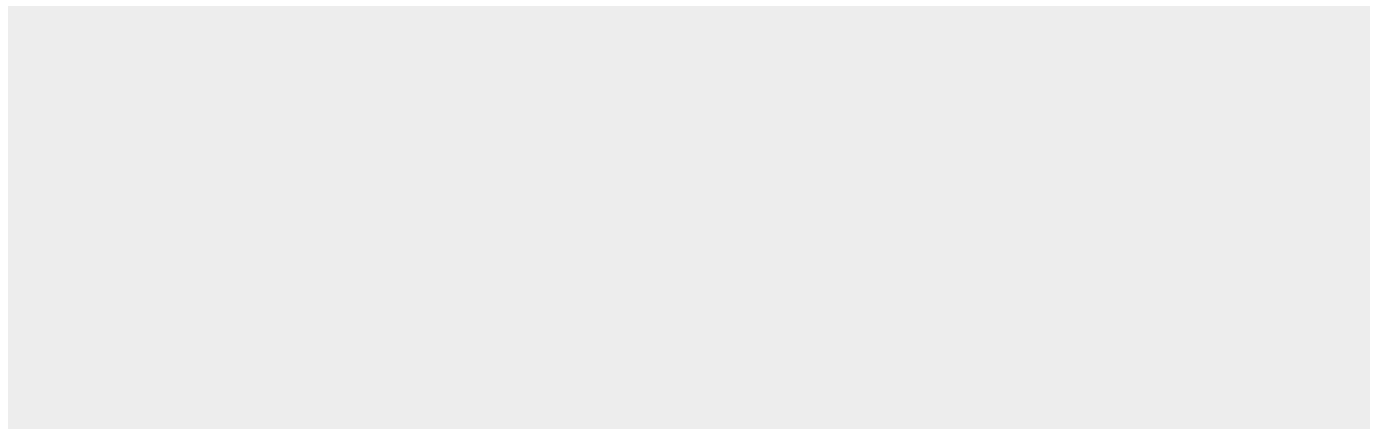

The layout downstairs is similar to that of the upstairs, but it features two bathrooms and a large sitting space that opens up to a sparkling pool for those sweltering summer days. This home has the added benefit of two granny flats, which have a lot of potential to be a source of income.

Behind automated gates and electric fencing, the property features six open-bay parking spaces and garages. The location is ideal—it's close to the beach, the Windermere center, and the Durban CBD by foot.
