This exquisite property, located in a fantastic Hillcrest neighborhood, is placed on 2180 square meters of flat land and offers rich interiors with the comforts of everyday life. The enormous master bedroom is large, with beautiful cabinets and a dazzling bathroom with His and Hers vanity. It includes three generously proportioned bedrooms, each with its own dressing room and en suite. A separate 'wing' with a bathroom, study, bedroom, and lounge has its own entry downstairs to the kitchen and entrance, making it ideal for extended family or a teen retreat. You'll be spoilt for choice with a formal lounge with fireplace and open plan dining area, as well as a cozier TV lounge directly next door. Double doors lead to a stunning undercover entertainment space and brilliant blue pool. This huge galley-style kitchen, complete with a separate scullery, plenty of workspace, and adequate cupboard space, is ideal for Cooking Cassanovas. A big sunroom, or children's play space, leads into a steam room and private bathroom. Staff quarters, an inverter system, a Jojo tank, an electric fence, and CCTV cameras are among the additional features. To fully appreciate its worth, this property must be viewed.
