Experience magnificent living in a spacious 4-bedroom, 3-bathroom mansion designed for a large family. This large mansion, located on Durban's Millionaire's Mile in Bluff, provides stunning vistas and an affluent lifestyle.

Step inside the magnificent entrance and you'll be met by two huge lounges, ideal for entertaining guests or resting with family. The master bedroom is unquestionably the home's focal point, an enormous area intended for maximum comfort. Imagine unwinding in your own coffee bar after a hard day, or watching your favorite shows in the open-plan TV lounge. But the luxury does not end there. The modern kitchen features high-end finishes, making cooking a pleasure. Whether you're a professional chef or a home cook who values high-quality appliances and beautiful worktops, this kitchen will suit your every demand.

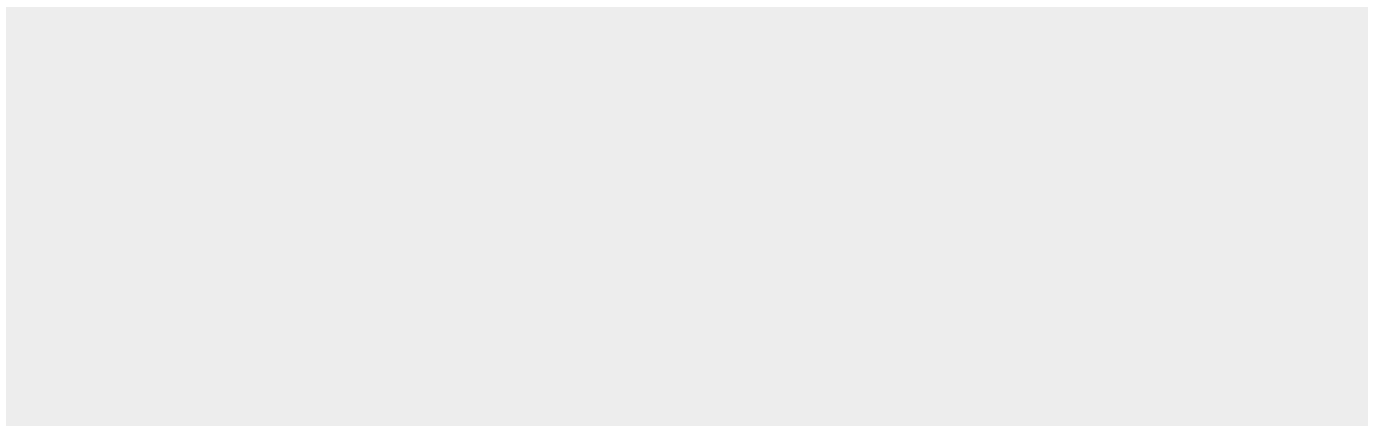

This is not just a single-family home; it is an entire compound. Two delightful garden cottages give extra living space, ideal for extended family, guests, or even rental income. One cottage has two bedrooms, while the other has a quaint one-bedroom layout.

Don't forget about your vehicles and outdoor entertainment. The property includes a lockable double garage and plenty of parking space for all of your guests. But the true star of the show might be the heated swimming pool, which is ideal for cooling off on a sweltering Durban day. Imagine soaking in the sun and admiring the breathtaking vistas while taking a refreshing plunge. But what actually distinguishes this property are the stunning finishes throughout.
