Beautiful property with 180-degree sea views might be yours!!

This property, with its wonderful panoramic view of the Indian Ocean, is ideal for a vacation or a corporate retreat. It is currently designated commercial, but can be deregistered as a family residence.

The house is located on the Whale Coast in sunny Durban, KwaZulu Natal. You will wake up to the relaxing sight of the sun shining off the ocean, boats and ships passing by, and early morning surfers riding the waves alongside dolphins. In season, you can also see whales and the Sardine Run.

There are numerous extras included in the selling of this home. All rooms, furnished in a modern and light palette, provide a wonderful sea view as well as comforting amenities like air conditioning and an en-suite bathroom.

Please contact us to book a viewing. Don't pass up the opportunity to purchase this stunning home with so much to offer, plus more!!
