Everyone's ideal home, with 5 big bedrooms, three of which are en-suite, and one family bathroom on the same floor. This property is unique and private, located on a cul-de-sac just beyond a booming gate.

The enormous undercover entertainment space overlooking the swimming pool and tree-lined garden draws you in as soon as you enter the courtyard.

The open plan parlor, dining room, and well-appointed kitchen flow seamlessly into the informal area with built-in bar, which leads out onto the verandah. There are stacks of back doors around the house.

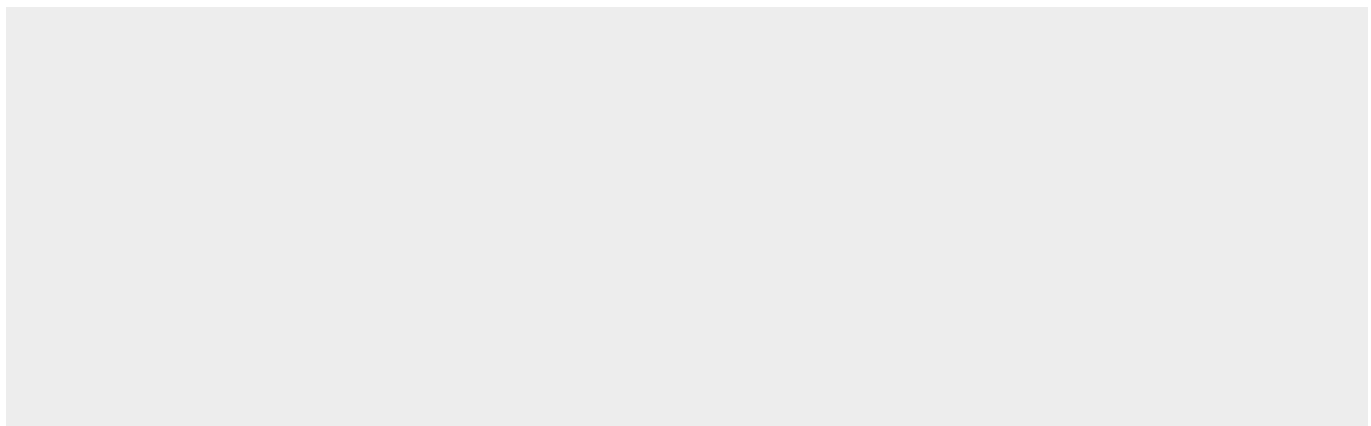

There is a double automated garage and a triple carport adjacent to it, and above it is a one-bedroom flat with a full bathroom, open plan kitchen, and lounge.

There is a separate laundry room, as well as staff quarters with a toilet and shower.

This magnificent property is great for hosting extended family, entertaining friends, or even customers. Don't pass up the opportunity to claim it today.
