This three-bedroom, two-story maisonette is located in the center of Wynberg Chelsea and all that it has to offer.

It is part of an access-controlled community. As you enter the house, the large kitchen is to your right, the living space is straight ahead, and to your left are the guest bathroom and under-stair storage cupboard.

The lounge features double doors that go out into the low-maintenance, fenced Astro turf lawn and sash windows. The modern kitchen has granite tops, built in electric oven, gas hob, extractor fan, space for a dining table and a large sliding window overlooking the pebbled back courtyard, which includes a outdoor storage room.

The three carpeted bedrooms all lead off the upstairs landing, two of which include built-in cupboards. The two bathrooms, one with bath and basin and the other with shower, basin and toilet, also lead off the landing.

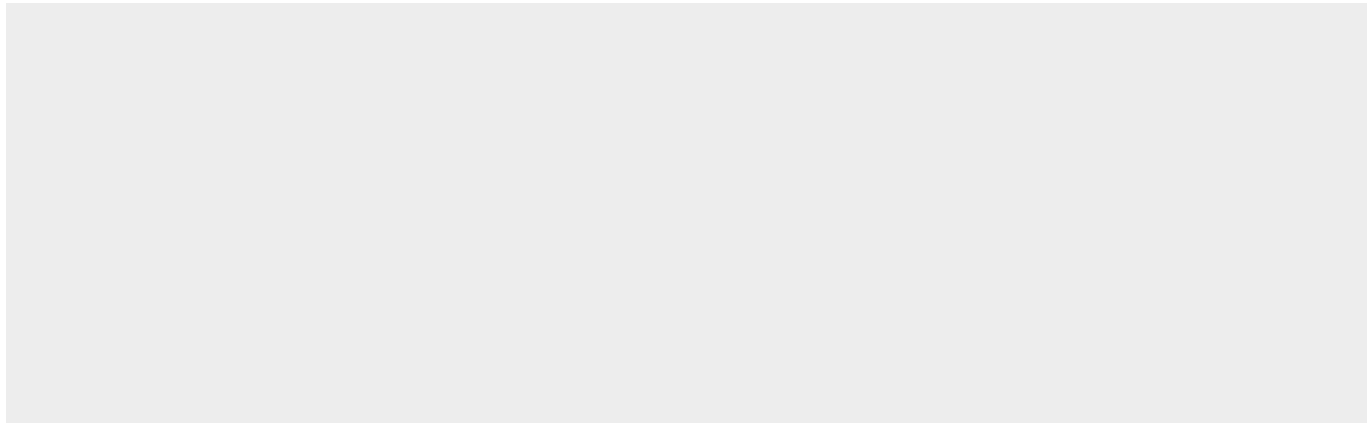

An alarm, electric fencing, burglar bars and security gates allow for peace of mind.

Two garages and a further designated parking are a bonus.
