The main floor boasts an open-plan living and dining area with a fireplace whose chimney pipe feeds the main bedroom upstairs as well – a huge plus during the winter months.

The sliding doors (plus a security gate) lead to the covered patio and secluded garden. The contemporary kitchen, equipped with built-in cupboards, a double sink, hob and oven is plumbed for an appliance and has access to the garden via the back door.

Ascend the staircase to discover two generously sized bedrooms with built-in cupboards. The second bedroom is ideal for guests, children, or a home office, providing versatile functionality.

One of the standout features of this duplex is its covered patio, situated at the end of the complex offering a serene outdoor escape. Enjoy your morning coffee while taking in the views of your own private garden.

The garden not only provides a green oasis but also serves as a canvas for your gardening aspirations. Ensuring self-sufficiency and sustainability, the property comes equipped with a JoJo tank, ensuring a reliable and independent water supply.

Embrace eco-friendly living without compromising on convenience. Parking is a breeze with space for two vehicles—one under the shelter of a covered parking space and the other under the open sky.

The thoughtful layout of the complex ensures that each resident enjoys a sense of privacy and exclusivity.

In summary, this 2-bedroom duplex offers a blend of comfort, functionality, and aesthetics. Indulge in the luxury of a private garden, a covered patio, and the convenience of your own parking spaces, all within the tranquil embrace of a well-designed complex.
