This quiet corner apartment faces north and gets a lot of sun. The Hyde Park shopping center is just across the street. The large sitting area has lots of windows that let in natural light and leads to a balcony with a view of a garden with trees.

The kitchen is well-equipped and has a lot of cabinets, a built-in dishwasher, and room for tools. There are three large bedrooms in this flat. The main bedroom has its own full bathroom, while the other two bedrooms share a bathroom.

The beautiful grounds can be seen from a work-from-home study. There are blinds everywhere, ceiling fans in the bathrooms, and extra cabinets for linens.

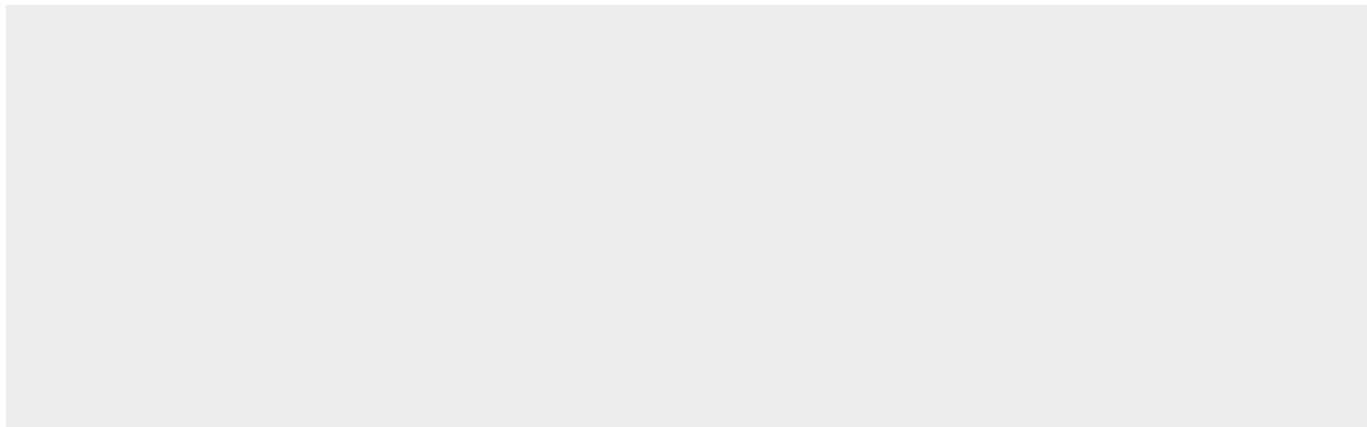

Superior protection 24 hours a day, and a shared pool. There is one parking space in the basement, a backup generator for the lifts, a common area, and a ramp.
