When you walk into this amazing home, you're met by large, open-plan living areas that flow into views of the lush gardens, making the space feel calm and welcoming.

The kitchen and scullery are large and open to each other. There is plenty of storage space in the cabinets and room for three under-counter appliances, making it great for cooking enthusiasts and people who like to have people over.

The super large main bedroom, equipped with air conditioning, is bathed in natural light through its generous windows. It boasts a luxurious ensuite featuring a bath, shower, and double basins with modern fittings and finishes, as well as a spacious walk-in wardrobe.

The second bedroom is equally impressive, offering ample space, built-in cupboards (BIC), and its own ensuite bathroom.

The third bedroom is also generously sized with BIC and shares a joining bathroom with the versatile fourth bedroom, which can serve as a cozy bedroom or a functional study office space.

Additionally, there is a convenient guest loo. The property is further enhanced by the presence of a borehole.

This gem also features a large open plan unit (not complete), which is below the main house that could be used as additional living areas to accommodate family and friends.

There is also a maids quarter.

Conveniently located near schools, restaurants, shopping centres, and other popular amenities, this property offers the perfect blend of luxury and practicality for modern living.

This beautiful home is one of four homes that shares a servitude driveway.

Very safe and secure. Call to book a viewing!
