This home, which is in the private Dainfern Golf Estate, has beautiful entertainment areas, comfy living areas, and luxurious bedrooms. All of the entertainment rooms are open and have a view of the garden and pool.

The kitchen, eating room, and large living room/TV area are all open to each other. The main places for fun look out over the yard and pool. The kitchen, formal lounge, eating area, bar, and covered patio are some of these spaces.

With the dining room and patio right next to the kitchen, it's easy to have people over. It has a separate scullery and a walk-in kitchen as well. The big patio with a view of the yard and pool is great for families who like to be outside.

The property has a built-in grilling place next to the pool as well. The main living room and dining area have beautiful windows and doors that go all the way to the sky, as well as a large fireplace that is great for more formal gatherings.

The entertainment areas are finished off with a bar next to the patio. For your comfort, there is a guest bedroom downstairs with its own bathroom and doors that lead to the garden.

The home has 2 more generously proportioned bedrooms upstairs. The expansive upstairs master suite has a spacious balcony as well as a walk-in dressing room and full en-suite bathroom complete with his and her basins.

The second upstairs bedroom is also en-suite with shower. There is a study away from the entertainment spaces, which is good for the professional working from home.

The interior throughout the home is illuminated with the abundance of natural light. Extras include staff quarters, 2 garages, underfloor heating, air conditioning, automatic changeover backup power system, 7 additional parking spaces and pool.

If you want privacy in a fantastic location, this is it!
