This beautiful family home has three large bedrooms, and each one has its own private bathroom for maximum comfort and privacy. The kitchen has beautiful wooden cabinets, a pantry, and a separate area for cleaning, which makes it a chef's dream.

The living rooms are great for hosting parties because they are large and have a fireplace in the dining room. Two beautiful study or work-from-home areas are on the ground floor.

Each is reasonably sized and filled with natural light from skylights.

A bath room for guests adds a touch of class, and the storage under the stairs is useful and convenient.

This level is the height of luxury living, with plenty of room to work and relax in a beautifully decorated area.

Two well-sized bedrooms downstairs each have their own en suites, while a third bedroom in a separate full cottage which offers additional privacy with its own entrance and veranda.

Upstairs, the main bedroom is a true retreat, featuring a large en suite and a private patio overlooking the stunning garden, you'll find a second lounge and study next to the main bedroom, perfect for relaxation or work.

Outside, a sparkling pool with a German system eliminates the need for chlorine or salt, while two additional cottages offer even more space for guests or extended family.

The property also features double staff quarters, a garage, carport, electric fence, alarm system, outdoor beams, solar geyser, solar panels, and an inverter throughout the whole house for ultimate convenience and security.

This stunning family home is the epitome of luxury living, offering a peaceful retreat with all the modern amenities you could desire.
