Illovo Point is a modern high-rise building located across from St. David's School and between the Sandton and Rosebank CBDs.

The building is higher than buildings in the Sandton CBD because it is on a ridge.

The Illovo Point plan includes a lot of parking spaces—more than 5 spaces for every 100m2 of usable space—as well as storage rooms in the basement and stunning views from every office.

his unit has a large open balcony as well as a smaller covered balcony. Ceiling and lighting systems are in place ready for tenant fit outs.

REMAX has various different size options available from 131, 274, 500sqm and upwards to 2000sqm.
