You can rent this triple-A grade store. Space on the second floor that has great highway views.

Open plan layout which will be white boxed allowing incoming tenant to create a space designed for their specific needs.

This iconic building has been a destination design hub in Kramerville for many years.

Recently refurbished this modern building offers potential tenants a sought after address with a specialised mix of furniture, bathrooms, floors and blinds to mention a few in the area.

The showroom measures 537sqm, has abundant natural light and views onto the M1 highway.

Showroom is fully airconditioned and the building has generator back up.

5mins from the Sandton CBD call me to arrange a viewing.
