This stunningly large and beautiful home is a sight to behold, with all the room, comfort, and peace of mind it provides. Being in the very center of the Morningside neighborhood, you are only 5 minutes from some of the best schools, care facilities, and other services in Sandton.

The beauty of the home lies in that it can accommodate many a profile of family, young professionals, or other people seeking to make a home of the illustrious Morningside Suburb.

Stepping through the front door one is greeted by an array of natural lighting into the first of the 2 living areas, with the kitchen and dining area having their own entrance from a massive 2 car garage.

The kitchen has granite counter-tops, and a centre island piece with a stove and oven in it. The open-plan architecture kitchen makes it easy to entertain fellow guests whilst preparing meals.

The second living area space gives you an abundance of space to play with. You have the option of another lounge, office space or recreation space for kids and family members.

Both of the living areas downstairs lead you out into the backyard with your own private garden space to enjoy. The 5 bedrooms in this house are of grand-sizing and a par of excellence in terms of its modern design throughout.

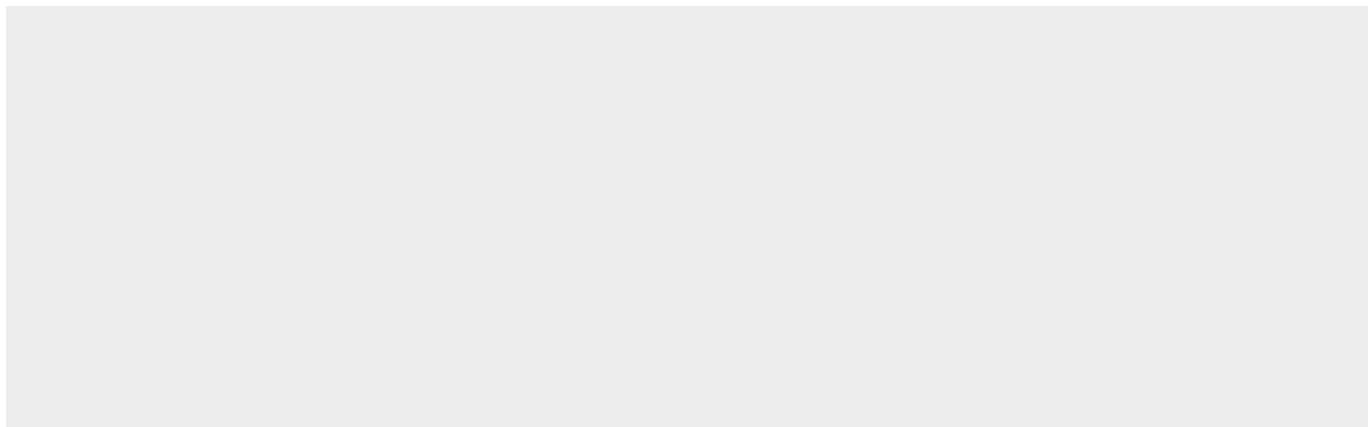

You'll be shocked at the amount of space available when inside the actual home itself. 3 of the bedrooms have en-suite bathrooms (master bedroom also has walk-in closet), with the other 2 bigger bedrooms sharing a bathroom.

The natural lighting makes a very comfortable setting for anyone living in the home to enjoy. You need to look no further to make your home needs come true.
