Welcome to this perfectly located three-level luxury penthouse, crafted with the finest attention to detail, and views overlooking the rolling forests of Johannesburg stretching to the horizon.

This magnificent three-bedroom and a study, the penthouse is an exclusive residence that is strewn with natural sunlight, large open spaces, and the promise of luxury living. A recently Renovated Kitchen and a fantastic Mezzanine Level, will have you in awe.

Located on the tenth floor of The Regent in Morningside, the building houses a luxury spa facility, an indoor heated pool, private meeting rooms, and 24-hour security, with private elevator access to the penthouse and private basement parking.

The new owner of this incredibly fabulous space will be delighted at the lifestyle offering. Nearby facilities include Benmore Gardens Shopping Centre, Sandton City, Hyde Park Corner, Morningside Mediclinic, private schools, and incredible gyms.

The vast lush penthouse has large windows through which sunlight and endless views create an illustrious moving art piece. The penthouse is designed with open space in mind, with a designer kitchen that opens to a spacious dining area and the expansive double volume reception area on the second level, large bright bedrooms on the first level, and a sparkling private pool with the most exquisite views located on the rooftop of this majestic home.

All three levels can be accessed via a private elevator.If you're looking for a designer penthouse with magnificent views and finishes within a bright sunny space, book a private viewing.

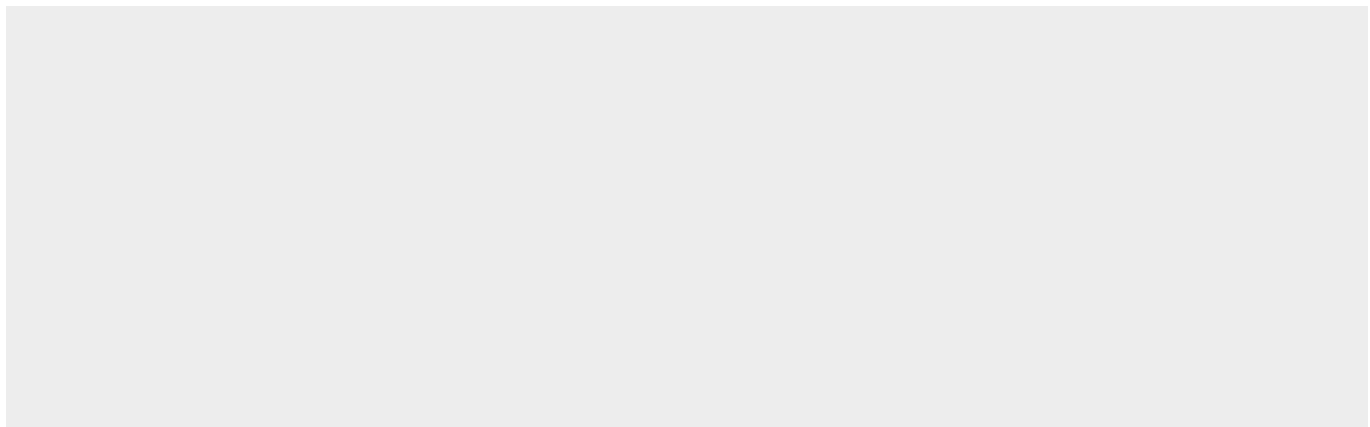

The tall seamless windows and elegant design will make anyone feel like they're living at the world's top. This luxurious space blends classic style with contemporary amenities, making this the perfect penthouse to own and enjoy the lifestyle of Africa's most exciting, vibrant, and wealthiest city.

Concierge, Boardrooms, Gym, restaurant and a Camelot Spa is available in the building, Security is phenomenal and with Private 4 car garage basement parking and Bio-metric access control for the perfect lock up and go ,this is centrally located on what is known as millionaires mile.
