The DAVINCI Penthouse Suites have not only changed the South African residences landscape, they have molded the definition of luxury inner-city living across the country.

Born in unparalleled modern-chic luxury, the opulent finishes throughout the suites will take the residents through time, into some of the most beautiful city apartments in the world.

Gorgeous interior in This three bed, 3.5 Bath Grandeur, artworks and décor chose specifically for each room, spacious living areas and a state-of-art kitchen all topped off with some of the most stunning views Johannesburg has to offer. The DAVINCI Penthouse is a capsule of luxury.

From the entrance, you will walk into the stunning dining room with the adjoining state-of-the-art kitchen featuring only top of the range appliances. A Lush Marble staircase leads you to The master bedroom, which caters for comfort with a large king size bed, TV that descends from the ceiling and lush carpets that your feet simply sink into.

That's not to mention that you can enjoy breakfast in bed while looking out at views of the Sandton skyline through large windows. The Penthouse bathrooms are immaculate in all white with silver finishes and there are cavernous his and hers showers between which is a spacious bath.

It's a smart-living space and has eco-lighting, which turns on as you enter each of the bathrooms. Of course this bathroom wouldn't be complete without his and hers basins and mirrors.

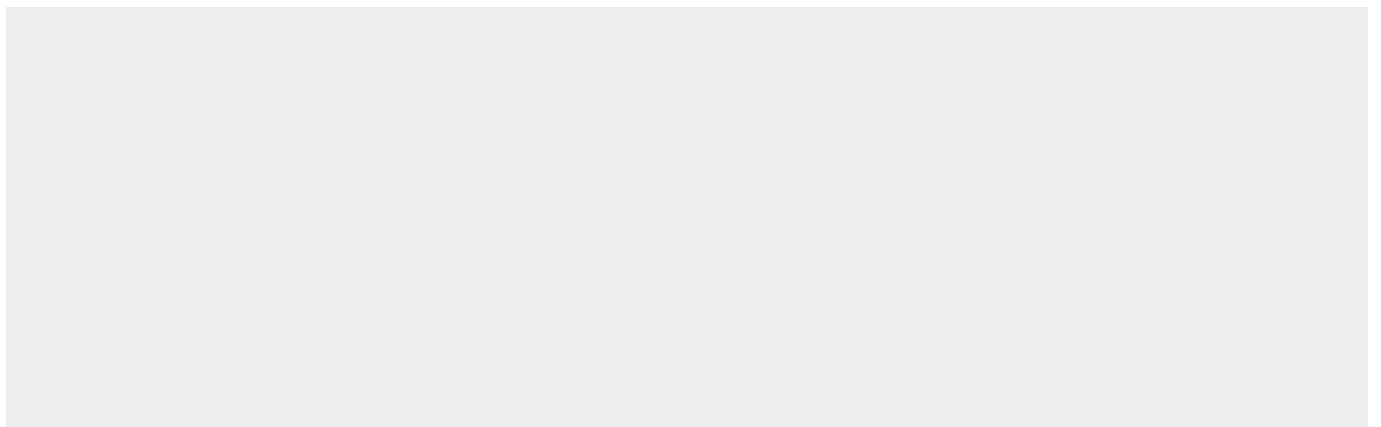

The patio is the perfect place for sundowners while you drink in the views of one of the most celebrated cities in South Africa. If you do have the urge to step foot outside of the Penthouse there are a plethora of shopping and dining choices in Nelson Mandela Square, Sandton City and the Legacy Corner Mall.

Guests can enjoy a movie, indulge in decadent treats, purchase exclusive designer lingerie or even hop on the Gautrain, as the station is a quick 10-minute walk away.
