With absolute river frontage, Waterfront invites you to experience exceptional architectural design in a unique inner city location. Designed by award-winning firm CHT Architects and inspired by the Maribyrnong's charming riparian environment, Waterfront reflects the neighbourhood's rich marine heritage in a striking, glass podium facade. Conceptually drawing on the waterway tributary systems and embracing the natural environment, Waterfront offers multiple spaces that allow residents to experience the beauty of the riverfront to its fullest. Just 6km from the CBD, and on the banks of the magnificent Maribyrnong River, Melbourne's multicultural heart is drawing plenty of attention from both investors and lovers of its abundant cultural and lifestyle attractions.
