The Kanyini Retreat is just that. It's an escape, a luxury of nature, views and sounds that are good for the soul. Set in the gorgeous hillside of the southern tip of The Azuero Peninsula, the property provides privacy to each of its quality built and artistically designed structures. A private owner's residence features hand-etched ceilings, custom woodwork, ocean-view pool and sundeck, and fenced yard for pets. Five guest suites are perfect for family reunions, nightly rentals, or corporate retreats. All guests come together and share the community kitchen. The sunsets are lovely with the backdrop of the Pacific Ocean. Nothing but the sounds of nature will demand your attention! The property is fully remodeled for structural integrity, functionality, quality, durability and water flow. Remodel includes 435 meters of concrete road, and 87 meters of concrete path. Truly, it is turn-key with all appliances and guest furniture included. Please see the full list of features and inclusions in the tab area below the photos.
