This extraordinary wooded estate in Acapantzingo is a great business opportunity, ideal for a housing or commercial development. A few blocks from Emperor Maximilian’s summer residence, it lies deep in a forest of huge mature trees with an apantle running through. The contemporary main residence has high ceilings and windows, which surround it, bathing the interior with light and bringing the impressive garden indoors. The ground floor has a large living room with fireplace, dining room, studio with half bath, kitchen and two terraces. Upstairs is a spacious master suite with sitting area and bath, a terrace and an artist’s studio. A guest suite with bath completes the upper floor. There are two guesthouses on the property: one has a bedroom, bath, living room with fireplace, kitchen and terrace. The second has two bedrooms, two baths, living room with fireplace and kitchen. Service areas: one house with two bedrooms, bath and laundry, as well as a security gate house with two bedrooms, two baths, sitting area and kitchen. One of a kind property and one of a kind opportunity. Land area: 20,000 m2 Construction: 923 m2
