This beautiful finca has a breathtaking view of the sea and the surrounding mountains. A beautiful wooden door and an impressive walkway lead us to the house. All around there are different species of trees and a variety of plants. There is plenty of parking space and a garage. The property consists of a spacious living-dining room with fireplace that communicates with the cozy wooden kitchen. It houses 3 bedrooms, one with direct access to the terrace and 3 bathrooms. The wooden beams that contain the roofs of the entire property provide warmth and beauty. The exterior has a large partially covered terrace and an open-air kitchen with a bread oven. The generous swimming pool with water jet has a winter cover, is completely fenced and is located a little away from the house, so there is no danger for children. Next to the pool there is a villa that can be used for different purposes. Extras , wooden beams, summer kitchen, garage, fireplace
