Los Flamings Views is a new project consisting of six modern luxury villas, two of which are already close to completion. The sought-after location offers stunning panoramic views of the Mediterranean coast and across the prestigious Villa Padierna Golf Resort. The properties will have up to seven bedrooms, each with its own bathroom. The master bedroom will have a large en-suite and a walk-in closet. It is located on the top floor where you can enjoy the panoramic views from a spacious south-facing terrace. Three en-suite guest rooms are located on the main floor. The villas all have a beautiful and spacious private garden which includes a generous infinity pool. Inside, you will find a modern kitchen which can be individually customised to suit your needs. The villas also have a wine cellar and cinema room. There is also a spacious double garage, storage room and a laundry room. The first two villas are estimated to be ready for delivery during the first quarter of 2019.
