One of Plettenberg Bay's most unique properties, tucked away down a very private cul de sac, this spectacular home is one of the only beach front properties on the renowned Lookout Beach. As a historic building in Plettenberg Bay, the house has undergone an imaginative and sensitive rebuild that has maintained the marvelous Cape architecture and stone work of the original cottage on the property. Comprised of unique architectural artefacts and expert craftsmanship, the home's huge original antique French doors, Teak Indian windows, exposed wooden roof trusses, hand crafted wooden cupola, gothic windows, hand built stone walls and Cape Dutch gables add character and warmth to this exceptional property. Perfect for entertaining.
