Impressive mansion located at the foot of the beach in the prestigious urbanization of Casasola, next to Guadalmina Baja, a residential area very popular where you can enjoy privacy and tranquillity, near several golf courses, paddle club with restaurant and 5 minutes by car from Puerto Banús. On a plot of more than 5,000 square meters and south facing with sensational views of the entire coast and the sea is located this 8-bedroom mansion with private bathroom each plus an independent house with two additional bedrooms, bathroom, dressing room and garage for 8 cars. At the entrance we are greeted by a beautiful fountain that leads to the hall with double height giving way to the immense living room with direct access to the porch; separate dining room connected to the kitchen; large guest suite with private bathroom, living room and terrace; Direct views of the sea from the entrance of the house. A private elevator that connects all the floors including the solarium takes us to the upper floor (which is also accessed by stairs with marble handrails) where the master bedroom of 55 square meters is located with a spectacular bathroom, dressing room and fantastic private terrace; 4 large bedrooms all with en-suite bathroom and exit to the upper terrace. The solarium has a beautiful paving of marble and stone mosaics with Jacuzzi to enjoy the panoramic views of the sea and the mountains. In the incredible basement and beautiful heated indoor pool of 77 square meters with relaxation room, Turkish bath, shower, toilet, gym, cinema room and heated wine cellar; several storage rooms, engine room and service room. Details to highlight are the exterior carpentry with triple glazing, flooring with large plates of Italian marble, onyx bathrooms, underfloor heating throughout the property, central A / C, solar energy, heat pump and pre-installation of home automation. The gardens are unique with large areas of manicured lawns, palm trees and mature trees where the majestic pool overlooks the sea to enjoy spectacular sunsets.
