The ultimate entertainer's paradise, with treed lounging spaces and lush maintained gardens that make guests feel like they're on vacation. This magnificent home, which has been featured in Amazing Spaces and Home Maker's magazine, can accommodate up to 120 guests. Entering the house seems like entering a medieval castle, with two fires on either side of a 200sqm hall with a King's table for elaborate dinner parties. This property has no corridors and features large open-plan living areas with 5m high ceilings, terra cotta tiles, and imported stucco walls. At night, the 17 Gothic arches are illuminated, creating romantic nights with soft lighting illuminating the entertainment sections and the glittering pool positioned a step away from the seated drinking spaces. It's also worth seeing at night!

The kitchen, which is adjacent to the hall, features an 8-seater teak island that flows onto shaded and treed dining areas, a separate Pergola, paved cocktail areas, and a mosaic pool with champagne chairs.

Walking up a large staircase from the Gothic Hall, you'll find another lounge with a Juliette balcony that feeds 4 en-suite bedrooms and a separate guest or kids' area with adjoining office workplace.

7 Bedrooms include 5 en-suites including a separate flat with a kitchenette (currently let at R6,500 month to month) and a separate 2-bed cottage with a bathroom and kitchen (currently let at R3,500 each month to month).
