Elegant and ultra-private, this beachfront estate gleams with clean, bright, high-end finishes. Concealed at the very end of a quiet subdivision in Panama's darling town of Pedasi, your beachfront paradise is about as private as it gets without being isolated. Step out from the pool right onto the sandy shores of the gorgeous beach that stretches for miles. Walk, swim, and enjoy the fact that you have this slice of heaven almost all to yourself. For water lovers and sun bathers, the swimming pool is tucked between the sheltering walls of the four bedrooms on one end and the living room and kitchen on the other. Abundant windows allow plenty of natural light and fresh breeze throughout the home. The North American style kitchen offers plenty of cabinet and counter space, with even more culinary offerings in the outdoor bohio with included grill. Well-built and with new interior and exterior paint included, this home is move-in ready. Quality furnishings can be included for an easy transition to your dream home, or bring your own taste of home. Additional details are below in the tabbed area. If you would like to experience the home in 3D please let us know and we will send a link to view the tour. Any questions, we are at your service.
