The saying that "first impressions are everything" comes to mind...because the moment you enter this stunning home you'll be swept off your feet. The attention to detail, the architecture and the floor plan come together to create the perfect home for living and for entertaining. The well designed pool next to the water feature and fire pit are ideal for soaking in Panama's sunshine in the day, and then finishing it off with a glass of wine by the fire with friends in the evening. The first class kitchen, dining room and master bedroom are accessible from the patio for the indoor/outdoor lifestyle that we enjoy here in Pedasi. Located on a cul-de-sac in a beautiful beach front community, you'll have the right amount of privacy and you'll be just steps away from one of Pedasi, Panama's most beautiful beaches. Contact us today for a showing and to see this dazzling home in person! If you can't see it today, let us bring this home to you! This home is available for Virtual Showings. Ask us for details!!
