4 BEDROOM HOUSE FOR SALE IN CONSTANTIA Heaven is a place on Earth called HOME In the Historic Winelands of Constantia, this imagistic " Constantia Vale Cellar" Historic Double Storey Home, offers a rare quality of lifestyle. Originally built in the 1890's as a trading post for neighbouring farmers to sell their produce and wines. This Spectacular Building was later meticulously 'designer adapted' into a remarkably, beautiful family home on half an acre. The home is a fitting tribute to the history it has lived through and reflects an abundant life both within and outside its doors. Perfectly located at the end of a lush, tree lined cul de sac, one enters impressive gates into a enormous driveway with parking for at least 15 cars. This home welcomes you through an impressive, front door into a grand, double volume foyer with high yellowwood beams, original clay tiles and chandelier, perfect open plan dining. Leading through French doors into the beautiful conservatory, ideal for entertaining and sunny days with large glass stacking doors leading out to feature koi pond with fountains and lush, captivating garden. Furthermore the ground floor welcomes you into a large open plan lounge and entertaining areas with cosy gas fireplace, built in wine cellar and bar. All areas open out to well established gardens, almond and magnolia trees through French doors and enjoy large, picturesque sash windows. A country style kitchen of large proportions and amazing features is the heart of the home. Impressive yellow wood beamed high ceilings, gas fireplace, sash windows with central island, granite tops, electric oven and gas hob Family love to "cosy on down" here in front of the central feature gas fireplace to watch TV and enjoy the aromas of their meals being prepared. Once up the stairs, onto the gallery landing, the home comes alive with light, big windows. The luxury main en suite bedroom offers extraordinary living space, gas fireplace under high open rafters. Two further en - suite bedrooms, one has its own external access. The forth bedroom is downstairs a perfect guest suite with doors to the historic orchard garden. A borehole, sun deck, swimming pool with a rock feature and unique spa. Perfectly secluded to ensure privacy and peace A bachelor style flat let with kitchenette & bathroom is privately located behind the double garage.
