Trilight is located in the Newton area which is among Singapore's prime district. The condo is within short walking distance to 3 shopping malls and Newton MRT station. Newton MRT station is one station away from Orchard MRT. This unit is located on level 25 and boasts a panoramic view of the neighbourhood. The unit is spacious, bright and has a wrap around balcony that cuddles the living room and master bedroom. There is a wet and dry kitchen and a helper's room and bathroom. This is perfect for tenants who like high rise living and spacious units.
