Singapore Scotts Tower is a 153 meter tall tower located at the intersection of Scotts Road and Cairnhill Road, in close proximity to Orchard Road, Singapore's famous shopping and lifestyle street. With 20,000 m2 of built floor area, the building has 68 high-end apartment units with panoramic views. The design strategically maneuvers within the highly regulated building environment to maximize the full potential of the site: Four individual apartment towers are vertically offset from one another and suspended from a central core. The skyline of floating towers directly relates to the surrounding building volumes and explores the most attractive views towards the city center and an extensive green zone to the north.
