This stunning 400m2 home was designed to seamlessly blend the interiors with the panoramic ocean views. From this vantage point, the views extend along the Pacific ocean. Excellent location, only 10 minutes away from Multiplaza Pacific Mall and five minutes from the south highway. Apartment's dominant room is the living room, enclosed with windows from floor to ceilings with 2 balconies. The living room has a dining area, pool table, and family space. The bedroom area includes a master bedroom with own bathroom and wardrobe, separately are two more bedrooms with wardrobes and restrooms. Also, a spacious den which can be used as a study room or kid's room. Finely detailed design through the apartment and wooden flooring. With this property three parking spots are at disposal.
