Built by a professional builder, this brand-new designed Cluster is amazing.

This custom dream home has all you could ask for in a comfortable, opulent residence.

This house is a work of art. Exceptionally elegant, smooth, and sophisticated with an excellent flow for large-scale entertaining that is effortless.

north-facing, south-entry. As soon as you step through the double wooden entrance door, the sheer magnificence of what you will witness will leave you completely speechless.

Visitors restroom. Gorgeous kosher kitchen featuring an island, a separate laundry room, a gas stove, and an abundance of cabinets that open to the gorgeous dining, living, and family rooms with glossy porcelain tiles. Expansive tiled patios with built-in servers and washbasins that overlook the most exquisitely kept, irrigated garden are the focal point of the reception areas.

Three large bedrooms with plenty of closet space and laminate timber floors, each with an en suite bathroom. The bathrooms are incredibly elegant and lavish. Fourth bedroom/study

The best finishes money can buy, such as premium aluminum doors and windows, gorgeous tiles and laminate flooring, bulkhead fittings, and an entryway skylight, have all been invested in.

At least eight automobiles may park in the double garage, which has direct access to the house.

opulent accommodations for employees.

This house is amazing! Everything you've ever desired. This is the perfect home for you if you think you should only get the best!

Good schools, religious buildings, Oaklands shopping center, Melrose Arch, Norwood Mall, and all access routes are all nearby.
