**OFFICE FOR SALE IN ROSEBANK** This proposed new building is situated in a secure office park with 4 existing office buildings of high quality office space. The proposed Building Five will benefit from this already established business environment set amongst fully grown trees in a pleasant park like environment and benefit from main road exposure. This opportunity will allow for a single tenant to acquire a stand alone office building and have the added benefit of working with the developer with plans already in place to create the perfect work environment custom to their specs, budget and needs.
