The Perfect Marriage of Garden and Home Uniquely situated on the green belt in the wind-protected suburb of Bantry Bay, this spectacular home flows seamlessly into its verdant garden setting. It is an architectural statement designed by award-winning architects, high up and tucked away amongst the trees with views over the ocean towards Robben Island. Industrial chic design combines natural textures and triple-volume spaces. Formal and informal living areas flow seamlessly to cantilevered decks and patios, surrounded by mature trees. It is a feeling of living in a tree house, with a zen-like ambience. Super spacious playrooms and entertainment areas flow to a level lawn and pool. There is also a studio, an office, staff suites, a funicular, double garage plus secure multiple off-street parking.
