Situated in a serene tropical environment with an abundance of palm trees, this one-story house radiates peace and quiet.

Natural light streams into every space thanks to an easy-to-use, open floor plan and flow, highlighting the spacious atmosphere. With their expansive views of the lush surroundings, large windows allow you to feel constantly linked to nature.

The well-equipped kitchen, with its contemporary appliances and generous work space, screams culinary adventures, while the cozy living area is the ideal place for relaxed get-togethers. The bedrooms turn into a serene retreat when the day comes to an end, with the calming sound of the water feature lulling you to sleep.

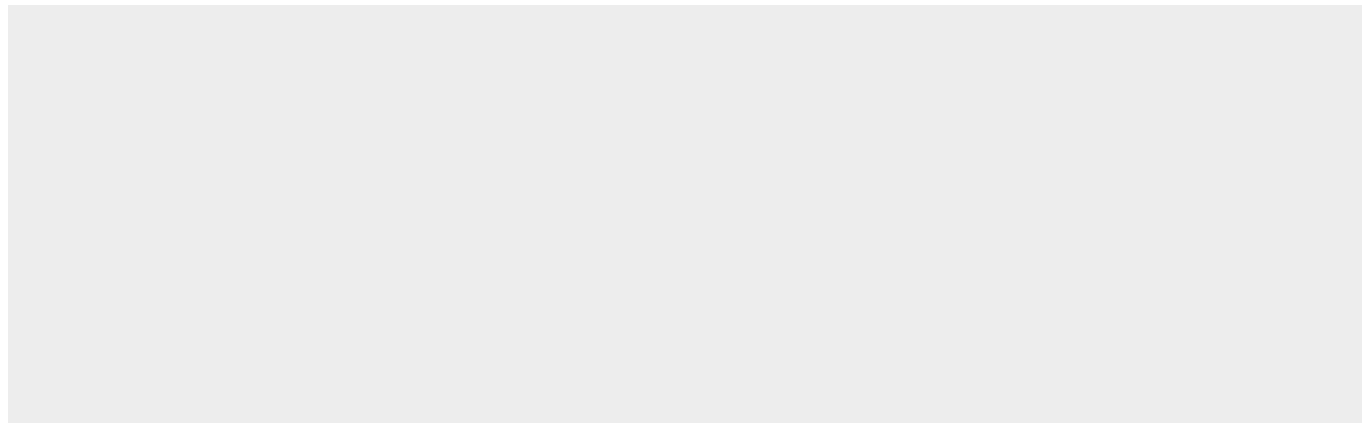

This one-story home promises an enchanted haven where the amenities of modern living seamlessly blend with the beauty of nature in its picturesque tropical setting.

enclosed by a booming enclosure that is patrolled by vehicles around-the-clock. Redhill School and all other facilities are nearby.

WE WILL SELL THIS HOME!
