The opulent splendor of this spectacular property, situated on 4164 square meters, will captivate you. The scene is set for grandeur as you approach through the open-plan reception areas and into this double-volume entrance hall, which is adorned with a highlight chandelier. The chef's kitchen uses a granite island and breakfast nook to satisfy every culinary craving. The formal lounge with a fireplace and space for all appliances is located in the separate scullery. The family room and dining area open to a pool, built-in braai, and covered entertaining terrace. A equipped study and a movie room. Four bedrooms, three bathrooms, and a large pyjama area are located upstairs, along with three further en suite bedrooms. Four car garages and lots of parking off the street. accommodations for two staff members.

Located in a boomed-off neighborhood with superb round-the-clock security and a neighborhood watch program.

You need not search any farther if room is needed for an extended family!

Major roads, retail centers, health clubs, office parks, schools, and hospitals are all easily accessible. close to the golf course at Sandton Country Club.

Viewing by scheduled time.
