The warmth of fine wood details and the coolness of high ceilings, picture windows, cantera and marble details accomplish the perfect balance in this exceptional family home. The parallel harmony continues throughout with ample social spaces for both children and adults, including formal and informal living and dining rooms, a game and media room alongside a built in bar and half bath, and for the ultimate in family living, casual sitting and eating areas off the state-of-the-art, chef's kitchen. This is complemented by a spacious double height terrace, a tranquil pool and jacuzzi, a play area and a wonderful garden. A deluxe master suite with adjoining multipurpose room, private terrace, double bathrooms and double walk in closets, as well as three additional bedrooms with baths, complete the second floor.
