Perfect for your getaway-to-the-beach adventure. With amazing lock-and-leave, turn-key appeal, you can be the snow-bird you have always wanted to be! Make some memories enjoying a morning walk or surfing/bodyboarding at Playa La Garita, a game of full-sized chess, a splash in the large pool, an evening with friends on the terrace with water fountains and wood stove, and a quiet goodnight with a glass of wine on the pool deck listening to the crashing waves. Delightfully decorated thematically, and sold fully furnished, you can literally move right in with your suitcase of clothes. Trust that this home is well-built and meticulously maintained, with a unique architecture that capitalizes on the ocean breeze. Costa Pedasi is a gorgeous, gated community of custom homes and solid market growth. Who knows, but this might be your only chance for a home like this at this price point!
