One of the first Mexican Colonial houses built by the Maestro Rodolfo Ayala, and carefully maintained, this Residence is a real Treasure. With Ayala's use of Skylights and beautiful baths and kitchens, the traditional Colonial dark interiors are replaced by Light. Historic Highlights including Antique Beams and Gualdras and Santo Tomas floors show that no expense was spared; High Ceilings; a lovely Sala with Fireplace and adjoining Dining Room; double Mexican Kitchen; four Bedrooms, each with a Bath and Walk-in Closet. Respect for the Landscape and the generous use of open spaces are constant features in Mexico's Architectural Heritage, evident in the 6,000 meter Property with manicured Garden, including a Pool, Tennis Court, Rock Garden and an Orchard. It has 764m2 of construction.
