Cimato Moroldo Architects designed this residence with unparalleled potential that embodies a distinct fusion of modern contemporary excellence that integrates light, sky, and nature.

This distinctive, custom-designed home will be featured and put in an excellent position to become a part of an opulent collection of homes that are valued and loved by home enthusiasts all around the world.

A UNIQUE OPPORTUNITY: Finish this daring architectural masterpiece with the authority of Self, which will reflect all the facets of your own requirements and personality. Give your own individuality and creativity free reign.

Indulge your sense of adventure and freedom.

Breathtaking views of natural light and nature are incorporated into the opulent interiors through the synthesis of clean lines, double volumes, and proportions intermarried in a velvety texture of glass windowscapes, concrete, steel, stone, and cascading water features—all characteristics of alluring modern fluidity.

With its double volume reception entrance hall, light-filled windowscapes, sweeping staircase, indoor and outdoor water features, feature walls, and private elevator, it sets the stage for an elegantly entertaining yet cozy family home with an open floor plan that indulges everyone's senses and allows for unrestricted expression and movement.

Formal and informal reception areas, which include a centrally located infinity rim flow pool, dining room, and informal lounge, create a tapestry of stylish allure where the love of contemporary modernity and the discerning meet.

All of these spaces flow effortlessly indoors and out to the entertainers patio.

Centrally located yet private study/ work from home with guest bathroom.
