Set high up on the Fresnaye slopes of Lions Head, this home has a strong visible presence as one approaches along Ocean View Drive. Powerful organic shapes and strong rock formations dominate. The feeling of the mountain shapes & the curve of the coastline were part of the inspiration for the shapes of this house with its spectacular, breathtaking mountain and sea views. The Penthouse level is a complete separate area to the rest of the house, yet incorporated as part of the home. This home has a strong sense of warmth and comfort, creating corners and cozy zones filled with intense character & mood.

Dostupna S: 21.05.2019

Tip: Ofis

Lion's Head is a mountain in Cape Town, South Africa, between Table Mountain and Signal Hill. Lion's Head peaks at 669 metres (2,195 ft) above sea level. The peak forms part of a dramatic backdrop to the city of Cape Town on one side, continuing around the other side to the more affluent suburbs of Fresnaye, Bantry bay, Clifton and Camps bay.
