Impeccable finish quality, thoughtful design, plenty of outdoor space and those million dollar views. La Vista Tower has one of the best reputations for buildings in the Santa Maria Country Club development, and for good reason! Fantastic amenities include a infinity pool overlooking the 18th green, a well equipped gym, 24 hour security and concierge service along with great facilities for families with young children. And for the golfer: the back 9 as far as the eye can see! This mid-floor unit features a large balcony, kitchen with all gas appliances, a center island, high quality countertops and cabinets with adjacent service quarters/storage. Each bedroom has it's own bathroom, master bedroom has walk-in closet, double lavatory high ceilings and plenty of storage. Central a/c and split system for low cost cooling. Floor plan also includes living room/dining room plus a den currently used as the home theatre area. Building has tax exoneration, monthly HOA's of \$700/month which include lifetime golf course membership at Santa Maria Panama along with three parking spaces and a large storage locker. Close to some of Panama's best schools, easy access to the international airport and downtown.
