Beautifully upgraded 2 bedroom apartments for sale in Dubai with stunning golf course views from the balcony. This property has been nicely upgraded with wooden flooring throughout. The kitchen has been modified with a very modern design and look and extended to allow a functional breakfast area. This is a must see property to appreciate the extra works the owner has added, to give a real homely feel to the apartment. The apartment is currently rented but could be vacant in June. For an investor rent of 80k + can be achieved.
